**2,033 litres**

## Movability Facilities

- { Lightweight easy to tow
- { Soft cushioning Hydraulic system
- { Balanced loading, with generator in the front, for better towing
- { 13" wheels with the ability in the event of a puncture to change at the side of the road with ease
- { Road lights and number plate holder built in, No need for a tailboard to be fitted
- { Accidental collision can occur, however our corners are designed to absorb impact and are easily maintained
- { Easy to use canteen facilities; kettle & microwave
- { Spacious & comfortable seating area
- { Warm water washing facilities
- { Recirculating toilet
- { Forearm wash basin
- { All interior and exterior surfaces are tough, durable and wipe clean
- { Spacious drying room with hanging clothes facility
- { Plug and play sockets: USB's without the generator and 230v sockets

## Sustainability Security / Safety

- { Fully insulated wall and roof system with no cold bridging
- { PIR activated LED lighting & hot water without the need for the generator
- { Low noise pollution
- { Low fuel consumption
- { Low CO2 emissions
- { Automatic generator timed shut off for unnecessary fuel usage
- { Low energy LED road lights
- { Dual heavy duty locking system per door
- { Robust galvanised exterior with high impact resistance
- { Unique hydraulic system for setup in 30 seconds
